

EDUCATING STUDENTS, FORMING DISCIPLES

Alive in Christ

Our School edition for grades 1-8 invites children to hear God's invitation to a personal relationship through his Word, helps them **discover and learn the Church's teaching** in precise theological language, and teaches them how to **live as Catholic disciples**. Alive in Christ is easily adaptable and **fits multiple faith formation models** – from the traditional classroom model, to bilingual, home-based, family-gathered, and summer programs. All models are included with the adoption of Alive in Christ, along with **robust online** and lesson planning resources. The program includes adaptations for special learning needs such as ADHD, learning disabilities or other cognitive differences, emotional or behavioral problems, and physical disabilities.

TESTIMONIALS

“ I was delighted to see many children showing the *Family + Faith Page* to their parents. I couldn't count how many parents that said, 'I didn't think I could do this, but I really look forward to it now.’ ”

“ The Alive in Christ website has been a blessing for me as a director of religious education! Every lesson for every grade is outlined and easily downloaded to any computer. Having a professional, easy-to-use lesson planning and training tool available 24/7 has made my life as a director so much easier. ”

Michael Fusco

“ I love the spiral approach – the way the topics in Alive in Christ are covered every year in a way the child can understand, but then goes into much more depth as the child gets older. ”
