
AWAKEN FAITH. BUILD COMMUNITY. MAKE DISCIPLES.

If you need to find “what’s next” for your parish, then the Parish Vision Plan from OSV is your first step. The process is perfect for all parishes that are working to thrive rather than just survive. The Parish Vision Plan can deeply engage your parishioners in your mission. Through the guidance of your OSV Consultant, we take a comprehensive analysis of how to help you thrive, including hospitality, outreach, finances, communication, evangelization and faith formation. The end product is a 3-year detailed plan that truly energizes and unites your parish in your Mission.

- Engage and connect your parishioners
- Create one shared vision
- Establish foundation for stewardship
- Increase focus on evangelization
- Outstanding consultation, customer service and support

YOUR PARISH. YOUR NEEDS.

The Parish Vision Plan from OSV provides the **structure** and **support** you need to bring your entire parish together to work toward a **common set of priorities**. Your OSV Parish Coach works with you to create a framework of goals and communication that **reflects your priorities** and **engages your parish** in your exciting progress. We develop the plan along with you to implement or change as needed custom to your particular situation.

“ The Parish Vision Plan provides the parish with a structured vision, based on information from our parishioners, to help our parish thrive and carryout our mission.

With the implementation of the OSV Parish Vision Plan, you will establish a path forward; a journey toward an encounter with Christ. You will be able to work as a parish team, adapting the plan as appropriate, but minimizing the efforts that should be set aside or done at another time.

- One Shared Vision
- One Clear Aim
- One More Connection
- One More Steward
- One More Believer
- One More Disciple

Step 1/LAUNCH MEETING

OSV will meet with you to begin to understand your parish including ministries, operations, mission and key areas of concern.

Step 2/PARISH SURVEY

OSV will survey your parish to bring together all the voices of your parish community.

Step 3/ANALYZE RESULTS

Your OSV Parish Coach will analyze your survey results and prepare an initial summary of the parishioner assessment.

Step 4/DEVELOP PLAN

Working together, we create a plan to infuse your mission into your parish life and foster excitement about what you can do as a parish community to live your mission.

Step 5/COMMUNICATE

After the plan is finalized, OSV will work with you to develop the tools you need for communication to your parish. Sharing the goals and milestones that are part of your direction with your parishioners helps you create a sense of ownership and personal investment.
